The Wind Power Champs was blessed with great weather and great wind. 8 course races and a Long Distance ( 10+ miles) which counts as 2 races were completed. Sunny, Temps in the upper 70's, S. Winds 6-20

Sat. 3 races were held on the famous M course ( 5 jibe buoys) with a windward/leeward leg before a short lunch break. The first race had decent wind, with it dropping and holes developing on the course the second and more on the third race. During break the wind picked up and filled in the race course which was almost 2 miles off shore due to the South winds. Massive pumping took place Sat. with the top Places switching back and forth. A lot of passing happened especially in the jibes and the downwind sections of the course. At the end of Sat. the top positions were held by 2 locals Andy and Kevin tie for 1st. Jeff Degaynor from MI and Don Altmeyer Sheboygan were in 3rd and 4th respectively. Jeff Adamski from MN had a first in the 3rd race but dropped the 4th and missed the 5th race. Bob Willis impressed everyone with his speed on the chartered Prodigy setup. The rest of the pack had a lot of passing mixed results which is the recipe for great racing.

Sat. Nite racers were treated with a fine food and beverages at the SunSet Supper Club located next door to the race site. The 2004 MoWind Race Series Awards were handed out, with a few speeches ensuing. Following Supper the Great Bonfire was started. The flames were as high as the tree tops for a sustained time making Kevin very nervous he was going to burn his woods and neighbors. He plans to tone it down in the future. After a few drinks some of the racers were having a flip competition, lead by Eddie who surprised everyone with his gymnastic skills.

Sunday came to fast for many. Red Bull showed up at 8:00 and the only one active was Jeff Knutson. The wind was up and the race committee lead by Ann Gratton who did a professional job for her first time, set a Gate Course with the A-fleet doing 2 laps to the Sport's one. The wind was strong allowing planning to the leeward gate. The second race Kevin switched from his Equipe longboard to F2004 Formula. Sailing into a hole things looked bleak when half the fleet passed him. He finally found some wind and worked his way back to the front just beating Andy and Jeff to the finish. This prompted a few others in the Unlimited class to switch to Formulas. Jeff, Degaynor, Jeff Adamski, Colin Knight and Jeff Korberl who had his best race of the regatta taking a 5th. Tim Cleary who came after lunch Sat. had great finishes moving him up in the standings after missing 3 races. Don Altmeyer was in the mix with the front 3 in a # of races but luck was not on his side to endure to the finish. He did lead the pack behind him, veterans Wayne Anderson and Ian House along with Mike Reed, Kathy Tatro, and Bob LeGault duking it out. Kudos to Katt who gets right in there with the boys on her 9.3 in the unlimited class

The Long Distance was a race from the Leeward gate to the Fond du Lac lighthouse A buoy then across the lake to Deadwood Point returning to the Windward Gate of the race course. Jeff Degaynor left the starting line and never looked back. He skyed the fleet finishing 4 min. before Andy and Kevin. Don came in 4th followed by the other Formula sailors with Mike Reed on his Equipe in the middle of them. The Sport Fleet had a shortened course just to the lighthouse and back. Chicagoan Mic Igeon won on his Formula followed by Kris Diller from MN the rest of the fleet not finishing.

It was a great Regatta with most sailors dragging their knuckles on the ground after the long distance.

Awards and prizes followed with the final drawing of the MoWind raffle board. It was a Mistral MTX 125ltr. MatchRace board donated by North Sports. John Kust from Minnetrista MN was the lucky winner.
