The Sport Fleet was represented with a few seasoned veterans and the other half were rookies attending their first regatta. It's encouraging to see new smiling faces in the Sport Fleet. Veteran Dan Thornton pretty much dominated once he got the cobwebs cleaned out. Kris Diller a new face from Mn was strong and consistent, putting a woman in second overall. Upcoming Junior Mic Igoe improved as the regatta progressed finishing first in the long distance. (only 2 Finished) Victor Hora did real well for his first ever race, using a strange longboard. Ron Troxel Improved his skills with each race on his new Formula Devil. Gary Willard was giving Dan T a run for his trophy on Sat. but didn't make it Sunday giving Dan an easy win. One to keep your eye on in the future is Bonnie Koeberl in the women's, she took an 1st in race 1 finished strong in the next 2 races and the retired for the regatta. Micheal & Alex learned a lot and increased their confidence sailing by competing in their first Regatta. Watch for these names in future
